Hi Ruth

Thank you for the payment of your PreK order U435P.

Because this is a larger order or it contains one or more of our larger items, your order will be arriving by ABF Truck.

Here is what to expect

Inside Delivery –

- The driver will bring the boxes over the first ground floor threshold. If the space beyond the threshold is not large enough to hold the entire delivery you will need to provide someone to move it further into the building.

Signing for the Delivery –

- Once the boxes are delivered, you will need to sign the delivery receipt. It is very important that you count your boxes and if the number does not match the box count on the delivery receipt be sure write an exception as you sign.
- Please also note any visible damage to the boxes.

If you have any problems or questions at the time of delivery, please call Community Playthings at 800-777-4244 while the driver is still there.

You will receive tracking information once your order leaves our NY warehouse. Feel free to call me with any questions.

Kind regards,
Margrit
